BREXIT PARTY EU SNUB

BREXIT Party MEPs turned their backs during the EU's *Ode To Joy* anthem, while Lib Dem MEPs wore yellow "Stop Brexit" T-shirts on the first day of European Parliament.

Brexit Party leader Nigel Farage said his 29 MEPs were "cheerfully defiant" and made their "presence felt".

But European Parliament President Antonio Tajani said: "You stand for the anthem of another country."

Some criticised the stunt on Twitter using the hashtag *#notinmyname*.

BBC Brussels reporter Adam Fleming said he did

not think any action would be taken against Brexit Party MEPs as there had not been any breach of parliamentary rules.

UKIP's MEPs – then led by Mr Farage – performed the same move at the start of the session in 2014.

UK MEPs are back in Strasbourg following May's elections, when the Brexit Party and Lib Dems made gains and the Conservatives and Labour suffered some heavy losses.

Our elected representatives will only have their seats for four months if the UK leaves the EU on October 31.

Civil service probed over 'frail' Jezza

AN investigation has been launched into whether senior civil servants said they thought Jeremy Corbyn was "too frail" to be PM, Downing Street has said.

There was fury last week over newspaper reports the Labour boss was going gaga and had suffered a stroke.

Theresa May's official spokesman told a Westminster briefing: "The Cabinet Office is investigating this potential breach of the civil service code fully and fairly just as it would any other."

"If we are able to identify an individual responsible, we will take disciplinary action."

Asked about the Labour leader's call for an independent probe, the PM's spokesman said: "The civil service is responsible for looking into any potential breaches of the civil service code and this is no different."

Climate change brings heatwave

GLOBAL warming will make it hotter, scientists have announced.

Last week's record breaking heatwave across much of Europe was made "at least five times" more likely to happen by climate change, say the boffins.

Heatwaves in June are now 4C hotter than they used to be, the researchers said.

Temperatures in France reached an all-time high of 45.9C last Friday.

Last week's heatwave was unprecedented as it happened so early, and recorded temperatures were so high.

BBC PAYS CRISP SALESMAN £1.75M

'DOING AN EXCELLENT JOB': Gary

MATCH of the Day host Gary Lineker remains at the top of the BBC's highest earners.

The former England and Spurs striker is joined by Chris Evans and Graham Norton at the top of the Beeb's rich list, despite it handing out huge pay rises of up to £200,000 to its female stars.

Lineker – who also has an evening job selling crisps – raked in £1.75m for presenting *Match of the Day* last year (down by £5,000 on last year), while Graham Norton earned £615,000 for his work on *Radio 2* (up £10k).

Despite leaving BBC radio in December, Chris Evans was still the second-highest earner on £1.25m (down £40k).

For the first time ever, women were in the top 10, with Zoe Ball and

Claudia Winkleman both earning up to £375k, and Vanessa Feltz – who is on up to £360k – among the top earners.

The BBC has spent hundreds of thousands of pounds of licence fee-payers' cash to increase the wages of women, including those paid to Sara Cox, Jo Whaley, Lauren Laverne and Emily Maitlis, while slashing the salaries of some of its senior men, including Jeremy Vine, John Humphrys and Radio 2's Steve Wright.

The pay packets were revealed as critics slam the BBC for scrapping the universal free TV licence for over-75s, with many saying the corporation should be cutting pay rather than charging pensioners.

Its annual report reveals the BBC's total pay bill is now £1,078m, up £60m from last year. The bill for top stars hit £159m this year, up by £11m on last year.

The BBC's annual report is the first salary disclosures since the corporation sparked outrage by announcing it is scrapping the universal free TV licence

for over-75s.

The corporation claims it would need to find £745m a year if it didn't carry out the move.

Defending Lineker's salary, director-general Lord Hall said: "Every time contracts come up we look at them, we negotiate hard with people but Gary does do an excellent job."

The corporation says it is narrowing the gender pay gap after uproar among female stars who learned men were being paid more for doing the same job.

Among them is Jo Whaley, who was given £100k more this year.

No decision yet on bids to run HS2 trains

A DECISION over which company will operate HS2 trains has been delayed amid concerns with the project and bidders suffering upheaval.

Transport Secretary Chris Grayling said in April that the West Coast Partnership (WCP) franchise was due to be awarded in June, but no announcement has been made.

The winning bidder will succeed Virgin Trains on the West Coast Main Line from March next year and run HS2 services between London and Birmingham from December 2026.

Sim Harris, managing editor of *Railnews*, said a "combination of uncertainties" have left the Department for Transport (DfT) "a bit worried" about who should be handed the franchise.

House prices rise despite Brexit fear

HOUSE prices edged up 0.1 per cent between May and June – despite Brexit uncertainty, according to a new survey.

Property prices edged higher month on month in June to an average of £216,515 after adjustment for seasonal factors, according to the Nationwide house price index.

That's an improvement on the 0.2% monthly fall recorded in May.

But the building society said annual house price growth slipped to 0.5% in May, as buyer confidence remained "subdued".

HUNT: UK WON'T GO TO WAR WITH IRAN

FOREIGN Secretary Jeremy Hunt has told MPs he "can't envisage any situation" where the UK would go to war with Iran.

The Conservative Party leadership hopeful (left) said the Foreign Office is "very concerned about the situation in the Middle East and the risks of an accidental war".

Mr Hunt added: "We've made serious efforts to de-escalate tension, including a visit by my

friend the minister for the Middle East to Tehran."

SNP MP Alan Brown asked Mr Hunt to confirm that the UK will "not be dragged blindly" into a war against the wishes of the wider international community.

Mr Hunt replied: "The US is our closest ally. We talk to them the whole time. We consider any requests that they say carefully but I can't envisage any situation

where they request or we agree to any moves to go to war."

Labour MP Daniel Zeichner asked what the Government is doing with the UN to de-escalate the situation with Iran.

Mr Hunt said: "We have been doing extensive work and the message that we are sending with our partners in the EU is that with respect to Iran's nuclear programme this is a crucial week."

She opens up about on-stage minge FAKE

SINGER Lily Allen has revealed she retweeted a **FAKE** upskirt snap of her **MINGE** because she's "not embarrassed about having a vagina".

Back in 2014, evil internet pranksters altered an upskirt picture of the hitmaker to make it appear she was wearing no panties.

But rather than complain, fun-loving Lily RETWEETED the image to her followers – and this week she explained why.

"I'm not embarrassed about having a vagina. That's why I retweeted the knickerless pictures of me on stage," she said.

"They were taken with the sole purpose of trying to embarrass and shame me and I didn't like it.

"So I took ownership of them."

Lily, 34, also admitted she is surprised she's 'not dead' after how hard she partied during the early days of her career.

Lily, who has opened up in the past about her experiences with drugs and alcohol, believes sex has also been an addiction for her.

She said: "You use substances or sex to put a plaster over something else, like pain or fear."

"There are all manner of destructive things you can get up to."

BIRTHDAY SHOOT!

LINDSAY Lohan posted a naked mirror selfie to her Instagram on Monday to mark her 33rd birthday.

The actress, musician and reality host appeared to be wearing nothing but her birthday suit while she held up her phone and strategically posed on the floor of an almost empty white room.

The *Parent Trap* star did wear sparkling earrings, a ring and a bracelet, though, despite the apparent lack of clothes.

A fan yelped: "You couldn't see her pissflaps!"

Paxo blasts 'coward PC snowflakes'

GRUMPY former *Newsnight* presenter Jeremy Paxman has blasted politically correct snowflakes.

He launched a scathing attack on the ease with which so many take offence and how it means that the elderly are the only people you can make jokes about.

He also fired a broadside at the health and safety brigade in a world that "seeks to avoid all danger".

Paxman (above), 69, said that in our "cowardly" world, pensioners might as well walk about with a sign pinned to their backs saying 'Kick me'.

"They are fair game because they do not bite back," he says.

This contrasts with some sectors of society that cannot be mocked.

In his column in *Saga* magazine he added: "The truth is snowflakes have taken charge in government departments, in the media, in universities and anywhere else immune from more pressing anxieties about their existence."

Smoking down as e-cig user numbers rise

THERE are now 1.8million fewer adult smokers in England than seven years ago, data shows.

New figures analysed by NHS Digital show that 5.9million people smoked cigarettes in 2018, down from 7.7million in 2011.

Throughout the UK, 14.7 per cent of adults smoke, with England having the lowest prevalence.

Scotland has the highest at 16.3 per cent, followed by 15.9 per cent in Wales and 15.5 per cent in Northern Ireland.

In 2018, adults aged 25 to 34 were the most likely to smoke, while those aged 65 and over were the least likely to.

Meanwhile, e-cigarette use continues to rise, with 6.3 per cent of adults vaping in 2018, up from 5.5 per cent.

An estimated 77,800 people died from smoking in 2017.

news@sundaysport.co.uk

THE only entertainer to make a bigger splash at Glastonbury than wildlife guru David Attenborough was pop star Miley Cyrus.

The 26-year-old daughter of country music star Billy Rae Cyrus, gave a stellar performance when she took to the Pyramid Stage on the final day of the festival on Sunday.

The American singer belted out her most famous hits such as *We Can't Stop* and *Party in the USA* during her incredible Glastonbury debut, as she took to the stage in a raunchy outfit consisting of a see-thru vest top with no bra under it and PVC trousers.

Miley, who shot to fame as a child on Disney Channel TV

show *Hannah Montana*, brought out record producer Mark Ronson, 43, to perform their hit song *Nothing Breaks Like a Heart* and a cover version of Amy Winehouse's 2007 collaboration with the DJ, *Back to Black*.

The cheeky star lifted up her top to flash the audience during her performance after noticing a topless woman in the crowd.

The notoriously risqué singer was also seen gyrating and grabbing her crotch while dancing to her hits on stage.

One audience member said: "If she were my daughter, I'd still be bathing her, Glastonbury or no Glastonbury!"

Here's the very best of her other previous topless moments...

LOUIS Tomlinson has said he "categorically" did not approve a scene on HBO's new teen drama *Euphoria*, which shows a slobbery BLOWJOB between a cartoon version of him and former bandmate Harry Styles.

Made You Look, the latest episode of show, includes the scene that is dreamt up by Barbie Ferreira's character Kat, a high school girl who writes fan-fiction.

Animated

In the scene, she is shown writing the story that becomes an animated sequence where 'Styles' performs oral sex on Tomlinson backstage before a performance.

Some fans have branded the show's creators for being "disrespectful", and Tomlinson has now responded after one commented: "Just going to sit and hope that they [Tomlinson and Styles] for some reason approved it because

surely they had to get it aired. Harry seems quite friendly with the people involved but you can just TELL Louis' not gonna like it."

Tomlinson replied: "I can categorically say that I was not contacted nor did I approve it."

Ferreira said she was a huge One Direction fan and explained why the "Larry Stylinson" – a nickname given to the fan-created Styles-Tomlinson relationship – plot meant so much.

She said: "When I first read the script, that was the first thing that popped out to me, because I can relate to that as a 22-year-old woman who lived through the One Direction age."

"It's such a reality for so many people, and so many children and teens that are fans just have this escapist world."

WHIRLPOOL has admitted that there could be as many as 800,000 faulty tumble-dryers in homes around the UK.

In June, the government said it would issue a recall notice of up to 500,000 dryers which pose a fire safety risk.

But when pressed by MPs on the Business Committee, company executives admitted the number of unmodified machines could be higher.

A fault in Whirlpool machines was blamed for at least 750 fires over an 11-year period, the government said.

Whirlpool said it had logged 54 fires in its dryers in recent years.

The dad-of-four, real name James Clarke, 50, was found by paramedics in cardiac arrest in the early hours of Monday morning.

He was pronounced dead at the scene at a house for recovering drug addicts in Kings Heath, Birmingham.

According to the friend who found his body, Fungi (left) had been diagnosed with cancer and left a suicide note for girlfriend Kerry as he didn't want her to see him in pain.

His friend revealed that he was clean from drugs when he died but the cancer was causing him much pain.

It also emerged yesterday that Fungi died before a documentary about him was finished.

Madge: I want album to be 'life' changer

MADONNA has said she hopes her new album inspires people to "get more involved with life".

The Queen of Pop (above) unveiled her 14th studio offering, entitled *Madame X*, last month.

She told Fearnie Cotton on BBC Radio 2 that when fans listen to it she wants them to think "that they need to get more involved with life, think more about their actions, become more curious, more adventurous and know that they are in charge of their destiny and that they have a responsibility to their fellow man".

Madonna, 60, who has two biological and four adopted children, went on: "In many ways I've written songs about waking people up and also hopefully speaking for people who don't have a voice in songs like *Dark Ballet* or *Killers Who Are Partying*."

"I want to say a lot of things – but also I want people to dance and have fun."

Police were called and Arnett was arrested.

He admitted possessing a blade but denied using it to threaten anyone. He was cleared of the latter charge by a jury at Teesside Crown Court.

Arnett, of Hartlepool, was convicted of assaulting a police officer by "kicking out" in the police van after his arrest.

He was jailed for eight months, suspended for two years, and ordered to complete a 20-day rehabilitation course.

Serial bog blocker gets 5 months jail

A MAN has been jailed for clogging women's toilets.

Patrick Beeman, 26, was originally charged with 12 misdemeanours of criminal damage to property, but seven of the charges were dismissed last month.

As conditions of probation, Beeman will have to serve 150 days in jail, pay £4,000 damages, not be allowed to possess or consume alcohol or any controlled substances, and complete 100 hours of community service.

While the state only recommended

Beeman serve 30 days in jail as part of his probation, Judge Kent Hoffmann sentenced him to 30 days for each of the five counts of criminal damage to property, to be served consecutively – citing the need for a more severe punishment.

Beeman will be able to participate in the Huber program, which will allow him to continue working at his current job, but require him to report

back to jail each day after work.

Beeman apologised for the damage and stress he caused in a statement he read during his sentence hearing, adding: "I need to make things right and pray forgiveness every day."

According to a criminal complaint, officers found a toilet in the women's bathroom at Deland Community Centre, Wisconsin, clogged by a plastic bottle last March. Water and

human faeces were overflowing from the toilet.

Officers reviewed a series of 10 similar incidents going back to April 2017 where shitters were clogged, and determined each incident caused about £150 in damage.

When quizzed by police Beeman told them he gets urges to do odd things, like look for bottles in waste bins to plug toilets with.

Spain has topped sexual wellness company TENGA's Self-Pleasure Report 2019, with 93 per cent of Spaniards saying they had tried furious masturbation.

The United Kingdom came a close second, with 91% saying they had performed the act.

However, the UK engaged in the activity most frequently, with 61% of men doing it once a week – the most of any nation.

The results were based on 10,000 interviews of men and women across nine countries.

China came last of the countries surveyed, with just 71% admitting to the practice.

Spain's top result was calculated from 95% of positive male responses and 90% of positive female responses.

Shaggers love Johnson – poll

ADULTERERS are backing Boris Johnson for Prime Minister as Brexit leads to a surge in cheating, according to a new survey.

Boris beat Jeremy Hunt by 82% to 18% in a poll of 2,000 people split evenly among the sexes by IllicitEncounters.com, the UK's leading dating site for married people.

He beats Jeremy Hunt by 90%-10% among men.

The figure falls to 74%-26% for women.

But even Boris cannot match the Brexit Party leader Nigel Farage in terms of popularity.

Surge

Farage was picked by 32% of adulterers when asked who would make the best Prime Minister, followed by Boris on 24%, Michael Gove on 11% and Jeremy Hunt in fourth place on 10%.

Labour leader Jeremy Corbyn came bottom with just 10% of the vote.

The results were revealed as new figures showed a surge in adultery since the UK voted to leave Europe three years ago.

Fetish trip's big send-off

HUNDREDS of kinky fetishists in latex and leather have piled on cruise ship for an erotic annual festival

Around 500 revellers in full bondage, gimp masks, horse heads and fishnet vests boarded the "Torture Ship" at Germany's Friedrichshafen harbour on Sunday.

Large crowds gathered to watch as they set sail on Lake Constance for the world's largest BDSM boat party.

Organisers said the turnout for the 1,500-mile trip – which has been running for 20 years – was down slightly due to sweltering temperatures.

Organiser Thomas Siegmund said: "There's a bit less turnout than usual because of the heat."

"But it is even more than 30 degrees when you are wearing leather and latex!"

POPULAR: Farage

27% since 2016.

Illicit Encounters, with the highest number of members in the UK, has welcomed 42,000 new members since the referendum vote – similar to the number of new members the Tory Party has attracted over the same period.

Both Boris and Farage have split with their wives since the Brexit vote.

Adulterers are hugely

in favour of Brexit, with 72% voting to leave Europe against 28% supporting Remain.

This is reflected in General Election voting intentions, with 36% backing Farage's Brexit Party, 28% for the Tories, 20% for Labour, 10% for the Liberal Democrats and 6% for the Greens.

relationship expert Jessica Leoni said: "Obviously adulterers back Boris in a straight fight with Jeremy Hunt – they want one of their own in Number 10!"

"If the nation is prepared to turn a blind eye to Boris being unfaithful, then there is a feeling that cheating will be normalised amongst the general population, too."

"Boris's election will give adulterers the permission to cheat."

FIND THE BISHOP BASHER OF BISHOP'S STORTFORD

EXCLUSIVE

Hunt is on for serial pud-puller

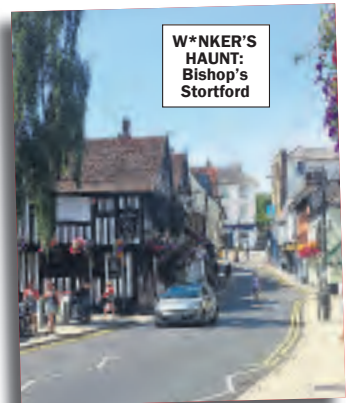

By JAYNE FERGUSON
news@sundaysport.co.uk

A WOMAN out running was shocked to confront a naked masked man masturbating while walking towards her.

Since last October, police have received reports of six such incidents in Bishop's Stortford and Sawbridgeworth, Herts – in which a man wearing only a white mask indecently exposes himself to women.

The pervert has been dubbed locally as the "Bishop Basher of Bishop's Stortford".

In the latest incident, at around 1pm on a Sunday, mother-of-two Gemma Picton saw a masked pervert

approaching as she was out running. "It was like he just popped out of nowhere. It was like something out of a movie," she said.

As a personal trainer, Gemma knew she could run away from the man if he tried to do anything.

But she said she was left feeling shaken as she sometimes runs that route, a popular one with runners and dog walkers, with her two daughters.

"That was my favourite running route and now he's ruined it," she said.

Police are appealing for people to come forward with any information.

Boat cops blast gay sunbathers for 'lewd acts'

GAY men got a rollicking off cops for performing "lewd acts" while illegally sunbathing nude at a popular lake.

The Carson City Sheriff's Office stepped in to stop nudity at a Lake Tahoe beach.

Washoe County Sheriff's officers had witnessed the alleged lewd acts the previous day at the beach.

The men were sunbathing nude and made inappropriate and lewd gestures that "got officers' attention".

Using a loudhailer from a boat, they told the men at Secret Cove that indecent exposure is a sex crime and nude sunbathing is not allowed in public places by Nevada law.

A video of part of the interaction was posted to the Facebook timelines of local news media.

DAD DIES IN AGONY AFTER LIZARD DARE

A DAD died in "absolute agony" – with swollen BOLLOCKS – after he was dared to eat a LIZARD.

David Dowell, 34, was rushed to hospital with a salmonella infection two days after scoffing the gecko at a Christmas bash in December.

Mr Dowell's partner of 15 years, Allira, begged paramedics to take him to Brisbane's Mater Hospital after they believed he just had a stomach bug or hangover.

"It was coming out both ends and he was really sick, and the moment he started throwing up and it was green, that's when they called for the ambulance," said Mr Dowell's sister Hannah.

On December 11, less than two weeks after the party, Mr Dowell died in surgery.

His family said he "basically rotted from the inside out".

Hannah added: "His testicles were swollen up to size of grapefruits, there was fluid leaking from them and doctors said that was normal."

Mater Hospital said it was unable to comment on Mr Dowell's death.

AS SAM FOX TEAMS UP WITH ROCKER SLASH, CHECK OUT THESE OTHER TOPLESS POP BEAUTIES...

By SIMON DEAN

simon@sundaysport.co.uk

GLAMOUR legend Sam Fox is planning a heavy rock covers album with Guns N' Roses guitarist Slash.

The 53-year-old former Page Three babe has revealed plans to get the *Paradise City* hitmaker involved in the project.

Busty Sam also plans her own interpretations of Iron Maiden and Def Leppard songs.

She said: "I want to record a rock covers album with songs by Motörhead, Iron Maiden, Def Leppard and I want to record it with Slash."

"I've always been, in a way, a frustrated rock star."

"I covered (*I Can't Get No*) *Satisfaction* by The Rolling Stones. That was a very pop version but when I sing it live I make it a rock version."

Sam had a worldwide hit with *Touch Me (I Want Your Body)* in 1986 but she's not the only glamour babe to have bust her way into the hit parade.

In today's four page special, we look at the other beauties who have got their hits out and made it big in music vids...

Stab killer said victim 'turned into werewolf'

A KILLER will avoid jail after he pleaded not guilty by insanity because he believed his victim was a werewolf.

Pankaj Bhasin, 34, was on trial for stabbing 65-year-old Bradford Jackson to death in Old Town, Alexandria, Virginia, in July 2018.

Bhasin (above) had checked out of psychiatric hospital just days before the killing.

He walked into Jackson's office at Window Universe and stabbed him 53 times with a box cutter.

He also beat him and broke his neck.

Bhasin told cops and doctors that Jackson began turning into a werewolf as they spoke.

Friends and relatives testified that Bhasin began drinking his own urine and petrol and claimed to be a Hindu god of death.

Bhasin will be committed to Central State Hospital in Virginia.

RAGE: Bell (right) strangled Nova (left) after she started seeing another man

FORENSIC science is more important than ever in the world of crime-solving. Traces of unidentified DNA or mystery fingerprints are now held indefinitely by investigators, hoping that one day they will prove to be the final piece of a jigsaw.

And it works, too – sometimes in breathtaking ways – looking at murders that, despite taking years to solve, the brilliant, painstaking work of police and forensics experts were able to finally lead the perpetrators to the prison cell.

Today, we tell how a 36-year old piece of chewing gum trapped a killer...

IT was the crime that had a prime suspect but, frustratingly, with no way for the police to prove it...

Until three decades later, when a man who strangled his girlfriend to death and stuffed her corpse into a cupboard was finally nailed by a piece of CHEWING GUM.

Criminal forensic scientists found DNA on the gum, which had been used to seal the cupboard where his victim's body had been left.

Osmond Bell, now 62, from Birmingham, killed Nova Welsh, 24, after flying into a rage and strangling her to death when she started seeing another man.

A cold case review years later saw forensic scientists find his DNA on gum which had been used to seal up the cupboard door under the stairs of the mother-of-two's flat.

Birmingham Crown Court heard that the chances of the DNA not belonging to Bell were a "billion to one".

In March 2017, Bell was cleared of murder but found guilty of

manslaughter after a jury deliberated for over a week following a six-week trial.

He was jailed for 12 years.

During the trial, jurors were told how Bell was originally arrested following Nova's death in 1981 but was later released due to insufficient evidence.

The suspect was arrested again in September 2014 after detectives re-opened the case following advancements in DNA techniques.

Fighting

As well as the gum, detectives had an anonymous letter which had been sent to a friend of Nova implicating another man in her disappearance.

The handwritten note claimed to have seen Nova fighting with another person in her kitchen – three weeks before her body was found.

But when the case was reviewed, the forensically preserved chewing gum and letter seal were sent for

THE MURDER OF NOVA WELSH

DNA screening, which showed both were from the same person.

When a sample of Bell's saliva matched both items of evidence, he was charged with killing Nova over 30 years later.

The trial was told Nova, who had two sons with Bell aged two and six, had told her abusive boyfriend to leave the family home as she had met somebody new.

She was last seen alive in July 1981, having taken children Jonathan and Lei to stay with Bell and gone dancing with her new partner Wayne Newby.

The next morning and afternoon,

neighbours described hearing Nova crying and quarrelling with someone.

The last sighting of Nova was around 6pm on July 26 by a neighbour who said Nova appeared upset.

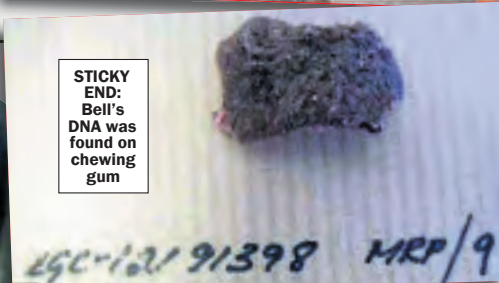

Bell, who did not report her missing, told police he thought she had either gone off with her new boyfriend or to visit family in America.

He denied playing any part in Nova's death, claiming to have been subjected to a "dark and terrible" four-day police interrogation in the days after her body was found.

The former television engineer also

claimed he had been allowed to handle and read the anonymous letter during a break in police interviews – explaining away his DNA.

Nova was eventually discovered dead in the cupboard, covered by a blanket and papers, after residents reported a bad smell on August 18.

After sentencing in 2017, Detective Inspector Justin Spanner, from West Midlands Police, said: "Today has finally brought justice for Nova Welsh and her family.

"When Nova went missing it was 1981 – the royal wedding between Prince Charles and Lady Diana had recently taken place and DNA procedures did not exist.

"Bell killed Nova, hid her body and then deliberately deceived police and her

family by claiming she had voluntarily left and then further deceived them by writing and sending a letter suggesting someone else was responsible for her disappearance.

"This case shows that we will always strive to win justice for victims.

"With the continuing advances in DNA we are able to routinely re-open cases, re-examine evidence and push for successful prosecutions.

Shock

"We will never give up on unsolved crimes, cases remain open and new information and opportunities when they arise will always be looked at.

"I hope Nova's family can now find some peace.

In a statement released through police, Nova's mum, Lorna Welsh, said: "Finally,

after 36 long years, my daughter can rest in peace.

"The family can now have closure, knowing the person who took Nova's life has been brought to justice. I would sincerely like to thank everyone involved in bringing this case to court."

Lorna Edmond, Nova's best friend, added: "Nova was a lovely person, always happy and smiling.

"She was a devoted mother who loved her two boys very much.

"I reported Nova missing as I hadn't seen her for a while, which was unusual.

"It came as a terrible shock to find out what had happened to her.

"I often think about the old times and the things we used to do.

"I still miss Nova and only hope that her family can now find some peace.

"Nova can rest in peace knowing that justice has been done. I will never forget her.

"Till we meet again Nova. Love, your friend Lorna."

SYRINGE STRIKES: Trifan

A CYCLIST got sexual gratification from squirting women with a white liquid.

Marius Trifan's victims were left fearing that the substance – handwash he fired from syringes – may have been SEMEN or ACID.

The 29-year-old Romanian, who picked on 11 women, most of them students, in just one week in February, has now been banned from carrying syringes in public.

He targeted the women as he cycled around Newcastle city centre wearing a rucksack packed with the makeshift weapons containing the white soap.

Northumbria Police said many of the victims were not even aware of the attacks until they found the substance on their clothing.

Raided

Trifan was caught after police identified him from CCTV and then found his rucksack of syringes when they raided his home in Fenham, Newcastle.

In police interview, he admitted that he had committed the offences for "sexual gratification".

He was charged with 11 counts of sexual assault and has already spent the equivalent of

an eight-month prison sentence on remand.

Trifan appeared at Newcastle Crown Court, where he was told he would have to sign the sex offenders register for five years.

As he had already spent four months behind bars, he was not given a custodial sentence by the judge.

Instead, he was handed a 12-month community order and a restraining order which bans him from carrying syringes in public.

Inspector Louise Jenkins said after the case: "It must have been really scary for these young women to find this strange liquid on their clothing and they would obviously be thinking the worst in that moment."

KILLER RUSSELL BISHOP

AS PLANS EMERGE FOR SHOW'S RETURN

BLACKADDER

By GRACE HOOPER news@sundaysport.co.uk**BLACKADDER is set to return one last time... as its creator plans a one-off special.**

Writer Richard Curtis, 62, has said he's desperate to get Blackadder and the gang back together once more, either on TV or on the stage.

The filmmaker is keen to have the character, played by rubber-faced funnyman Rowan Atkinson, become a grumpy old man.

"The thing about Blackadder was, it was a young man's show criticising older people, saying how stupid those in authority were," he said.

"So I did once think if we ever did anything again, it should be Blackadder as a teacher in a university, about how much we hate young people!"

Here are some of Blackadder's most brilliant lines...

...HIS BEST BITS!

He's madder than Mad Jack McMad, the winner of last year's Mr Madman competition.

1 "You ride a horse rather less well than another horse would. Your brain would make a grain of sand look large and ungainly and the part of you that can't be mentioned, I am reliably informed by women around the Court, wouldn't be worth mentioning even if it could be."

2 "Give the likes of Baldrick the vote and we'll be back to cavorting druids, death by stoning and dung for dinner."

3 "Baldrick, does it have to be this way? Our valued friendship ending with me cutting you up into strips and telling the prince that you walked over a very sharp cattle grid in an extremely heavy hat?"

4 "Field Marshal Haig is about to make yet another gargantuan effort to move his drinks cabinet six inches closer to Berlin."

5 "You find yourself amusing, Blackadder." "I try not to fly in the face of public opinion."

6 "Baldrick, believe me, eternity in the company of Beelzebub and all his hellish instruments of death will be a picnic compared to five minutes with me and this pencil if we can't replace this dictionary."

6 "Oh, God, Fortune vomits on my eiderdown once more."

8 "We're in the stickiest situation since Sticky the Stick Insect got stuck on a sticky bun."

9 "Such activities are totally beyond my mother. My father only got anywhere

with her because he told her it was a cure for diarrhoea."

10 "I've no desire to hang around with a bunch of upper-class delinquents, do 20 minutes' work and then spend the rest of the day loafing about in Paris drinking gallons of champagne and having dozens of moist, pink, highly experienced French peasant girls galloping up and down my - hang on..."

11 "They do say, Mrs M, that verbal insults hurt more than physical pain. They are, of course, wrong, as you will soon discover when I stick this toasting fork into your head."

12 "I couldn't be more petrified if a wild Rhinoceros had just come home from a hard day at the swamp and found me wearing his pyjamas, smoking his cigars and in bed with his wife."

13 "Bloody explorers, ponce off to Mumbo Jumbo land, come home with a tropical disease, a suntan and a bag of brown lumpy things, and, Bob's your uncle, everyone's got a picture of them in the lavatory."

14 "I think the phrase rhymes with Clucking Bell!"

15 "Am I jumping the gun, Baldrick, or are the words 'I have a cunning plan' marching with ill-deserved confidence in the direction of this conversation?"

BRUNETTE beauty Emma Green says there's nothing taboo about ANAL sex - in fact she absolutely LOVES it.

Emma, 26, from Camberley, Surrey, says that indulging in bum fun is her biggest turn-on and it gets her orgasming within SECONDS.

The 32DD topless babe can't put her finger on why it turns her on so much, but she's more than happy to keep doing it!

She said: "I don't know what it is about anal, but I am a massive fan of it."

"I pretty much orgasm within a couple of minutes."

"Maybe it's because it is a special occasion thing, or because I have to be very turned on from lots of foreplay before I do it."

"Or maybe it's because it makes me feel really rude and naughty."

"Whatever the reasons, when my man sticks his cock up my arse I know I'm in for an explosive orgasm!"

Drama Sir in oral sex shame

A DRAMA teacher told students he had performed oral sex to secure acting roles and that they may need to buy themselves knee-pads.

The teacher told two male students aged 17 about "casting couch" situations when actors were asked to perform sexual acts to land roles.

He tried to justify his conduct on the basis that it was "an important topic and one of which students need to be aware".

A judgment by Australia's Queensland Civil and Administrative Tribunal outlined a series of other allegations that included describing the sensations of homosexual sex and asking a student to walk around the stage, jump and squat in revealing Speedos swimwear and commenting on his "very big bulge".

The tribunal decided there was not enough evidence to make "firm conclusions" about the inappropriateness of the Speedos allegations but accepted his "casting couch" comments fell below the standards expected of a teacher and he was suspended for two years.

Comic sparks outrage by mocking Welsh language

PERSIAN TW*T!

By COLIN HURST news@sundaysport.co.uk

COMEDIAN Omid Djalili has been slammed on social media for mocking the Welsh language.

The stand-up, who is also an actor and television producer, tweeted a photograph of a bilingual road sign for the National Botanic Garden in Carmarthen at the weekend.

It translates to 'Gardd Fotaneg Genedlaethol' in Welsh and the Iranian-born comedian shared the photo along with the words "There are worse things than being Welsh, dyslexic & having a terrible stutter. But not many."

Fierce

One Twitter user, called Gwilym, was critical of his remarks – saying his daughter is "fiercely proud of being Welsh and battles her dyslexia with a fierce intelligence and better humour than you appear to possess as a comedian".

Other users also urged Djalili, who is Persian, to apologise.

The 53-year-old said the replies he was receiving were "superb" and replied to one user who said she used to like him in Welsh.

Djalili, who has featured in films such as *The Mummy*, *Sex and The City 2* and *Mamma Mia! Here We Go Again*, appeared to be spending the weekend in Wales after performing at the Park and Dare Theatre in Treorchy on Saturday night.

Fart causes plane stink

A PLANE was grounded and hundreds of travellers delayed – because of a smelly FART!

Officials say the strange odour forced a Spirit Airlines flight to abort takeoff at Atlantic City International Airport in New Jersey, causing a brief closure of the airport.

According to officials, Flight 341 from Atlantic City to Tampa, Florida, returned to the gate for technicians to investigate.

It was later established that a passenger "who had consumed foreign food passed gas".

Perv pulled pud in front of children

A MAN wearing an ankle monitor was arrested for allegedly exposing himself and performing a lewd act in front of a mother and her three young children.

Douglas Parsons (above), 54, was later arrested on multiple charges including indecent exposure to a minor.

Parsons is a registered sex offender with previous for pulling his pud in front of kids and has served jail time for his vile crimes.

He served 18 months in prison for each of his two earlier convictions, and six months for breaching his sex offender order.

Parsons is scheduled to appear in court in Charlotte, North Carolina, where he committed his latest public sex act, later this week.

A police source said: "This guy is one sick individual who needs putting away for good."

Alky given job ferrying booze

AN alcoholic trying to get sober at a rehab centre says a manager arranged a job for him – delivering booze and sex toys to a gay 'chub-chaser' event.

The man said he thought the gig would be at someone's home, but instead he was asked to haul cartons from a storage unit in Queens, New York, to a hotel in Manhattan.

The goods were going to Convergence NYC, "the largest annual event for gay chubby men (chubs) and their admirers (chasers)".

While moving one box, he said, "a whole bunch of fake male organs" fell out.

But what was really troubling, he said, was that he and his fellow addict were asked to ferry vodka, whiskey and beer.

The charity, J-Cap, is investigating.

Playboy model goes nude in church

HOLY COMMUNION BUM!

By JAYNE FERGUSON
news@sundaysport.co.uk

A PLAYBOY model has shared controversial pictures of herself naked in a church on Instagram to "honour God".

Stunning Are Rojas, 27, is seen stood next to an altar with just a white flower covering her modesty and a Jesus-esque crown of thorns on her head.

And the Mexican model hit out at anyone offended by the snaps, writing: "How could something as natural as His own creation offend Him?"

"My nudity does not offend

God, it offends those who reject and delete everything they do not understand, those who call me a whore and immoral for showing my natural self."

She added: "My nudity honours His perfect creation, the beauty of our bodies, the difference between the sexes, the enjoyment of pleasure it gives us, the creation of the human being, its essence."

The model said with "every act of hate, deceit, hypocrisy, war and judgement, you crucify your brothers on a social cross".

And she added: "Without realising, you are doing to others what was done to Jesus."

Are was named Playboy magazine's Miss April this year.

ISIS teacher groomed schoolgirl

AN ISIS supporting teacher who forced a 15-year-old girl to watch him masturbate over FaceTime has been jailed.

Koran schoolteacher Seitu Sulayman Kokayi, 30, spent 252 hours grooming the girl in 266 phone calls as well as 43 video calls and also sent the girl jihadi propaganda videos.

Married Kokayi taught at a Washington DC mosque from 2009 until his arrest in August 2018 and also worked at the Maryland University College.

He was branded a "wolf in sheep's clothing" by prosecutors and a court was told he abused the girl while supporting ISIS.

Justice Department officials said Kokayi engaged the "victim in sexually explicit chats, proceeding to entice the child to disrobe and engage in sexual acts over FaceTime."

They added: "Kokayi also exposed himself to the victim, masturbating on FaceTime on multiple occasions."

His interest in radical ideology and his connection to a cleric who has encouraged murder of non-Muslims, first attracted the attention of the law.

One of the jihadi videos Kokayi shared with another teenager came from his stepfather, Sheikh Abdullah al-Faisal,

who faces terrorism charges in New York.

Assistant Attorney Dennis Fitzpatrick said: "This is a case of an educated and savvy man preying on vulnerabilities of a 15-year-old girl."

"He is espousing violence, he's interested in it, he was deep in the weeds of this ideology and he was promoting that with children."

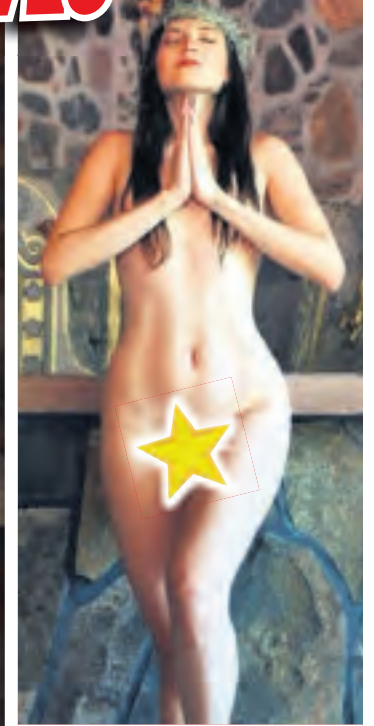

He was convicted after a trial in a federal court earlier this year of sending pornographic images to the girl and trying to

persuade her to respond in kind.

Kokayi, from Alexandria, Virginia, has now been jailed for 10 years and will have 20 more years' supervision.

Passing sentence the judge told him: "You had an absolutely improper infatuation with this child."

After the hearing, Kokayi apologised to his wife, family and his friends and singing in Arabic, said that his fate was ultimately in the hands of God.

THE WORLD FAMOUS AGONY Page

Dear Ashleigh,

I'VE recently taken up cycling, putting the miles in and getting really fit, and it's totally changed my luck with women.

I spotted a blonde sunbathing in her garden the other week as I went for a ride in the country.

At first I pretended there was something wrong with my bike and stopped near her house.

We got chatting and she asked me in for a brew. But it soon became pretty clear that she wanted me to ride her and, thanks to my increased stamina, I gave her a proper seeing to.

And a couple of nights ago I saw a tasty brunette outside a pub – and I pulled her, too!

She gave great head and loved it doggy-style. The problem is, after all this shagging, I've done my back in and can't go out for a ride.

MW, south Yorkshire

Ashleigh says...

GO for a walk, you should be OK.

Dear Ashleigh,

I AM a 25-year-old single mum and recently I have started fantasising about having sex with female hookers.

I dream about paying them their cash up front and telling them to slowly undress in front of me.

Then I get them to lick and suck on their own boobs for a while as I sit on a chair in the corner and watch.

Finally, I ask them to play with themselves, slowly adding one, then two and maybe even three fingers if they can fit them in.

I'd love to know what it's like to have sex with another girl, but think I'm too terrified to go through with it.

Any advice?

VJ, Herts

Online shoppers love my special deliveries

Dear Ashleigh,

I WORK for a delivery firm
and take parcels all over
the country.

Over the years I have built up quite a regular "round" of online shoppers.

And I have one or two ladies who have come to expect a "special" delivery from me.

My favourite is a blonde who is younger than me but willingly spreads 'em.

I dropped off a parcel for her – which turned out to be a copy of the *Kama Sutra*.

She thumbed through it and had us both naked in an instant.

moist as she got into an interesting position and guided my eight-incher inside her.

Then I rammed her good and hard, just how she likes it.

Now she wants me to go through the book with her, but she lives miles away from me – and I'm married.

What shall I do?

GS, Birmingham

Ashleigh says...

KEEP shagging, the Kama Sutra should spice up your sex life at home, too.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week ASHLEIGH GEE has been reading through your letters. And here's her advice for you...

Caravan romps with wife's horny cousin

Dear Ashleigh,

MY wife has recently gone off sex, making the excuse that she's been very stressed at work.

It's caused no end of arguments and I've been so frustrated that I've had to resort to tugging myself off at every opportunity.

Anyway, things changed for the better when I was at a family do three months ago and I got chatting to her cousin.

She's a busty blonde aged 30 and I couldn't keep my eyes off her cracking tits as well as her well-rounded arse.

Throbbing

After a few wines she told me that since she had her second kid two years ago she and her hubby have grown apart.

We got on really well and at the end of the night we had a quick snog when nobody was looking.

Then she suggested that we should have a discreet affair. I was well up for it.

Luckily for me, my mate has a caravan on a site not far from where I live, so we meet up there three times a week.

And it didn't take me long to find out that this horny bird is hungry for cock.

In fact, she's up for just about

anything and it's all I can do to keep up with her.

The first time I shagged her, she was keen to give me a raging stiffy by wearing stockings and suspenders.

She lap-danced for me and was talking dirty, telling me what she wanted.

Then she sank to her knees in front of me and greedily sucked my throbbing nine-incher.

Just as I was about to come, I pulled out and came all over her bouncy 34DDs.

Then it was my turn to lick her out and I used my tongue to such good effect that she had a shuddering orgasm.

But she was eager for more and soon had me hard again before begging me to take her doggy-style.

I pounded into her hard and fast and she loved it, shouting at me to keep going and give it to her even harder.

I didn't think it could get any better, but after about 10

minutes she told me to take her up the arse.

I couldn't believe my luck. We didn't have any lube, but nothing was going to stop me now and so I simply used her fanny juice.

I thrust into her, enjoying the sound of my balls slapping against her bum cheeks, until we both climaxed and fell into a heap totally exhausted.

But just as I thought this relationship couldn't be more perfect, the shit has suddenly hit the fan.

The problem is that she wants us to leave our partners and set up home together.

I don't want to go that far, as it will cause too many problems.

Any advice?

HS, Devon

Ashleigh says...

YOU should end this before your naughty secret is discovered.

I bonked screaming nurse during mum's hearing test

Dear Ashleigh,

I TOOK my old mum to the hospital for a hearing test the other day and ended up shagging one of the nurses while I was waiting.

She was a right little stunna who was wearing a tight skirt, which is a bloody rarity these days.

I'd noticed she was giving me the eye as I sat in the waiting room and I could feel a stirring in my trousers.

So, as I had an hour to kill, I thought I'd try a bit of the old charm on her.

Well, I must have been really good – or she must have been gagging for it – because I'd hardly opened my mouth before she was dragging me into an office, quickly locking the door behind her.

We locked lips and I soon had her impressive tits in my hands, playing with her stiff nipples before sucking them in turn.

Then she pulled out my rock-hard cock and started

sucking on my bellend. Even I couldn't believe my luck as she slowly ran her tongue up and down my shaft, while gently squeezing my swollen ballbag.

Next I bent her over a desk and lifted up her skirt to reveal the peachiest little arse I've ever seen.

I pulled aside her G-string and thrust my throbbing cock in and out of her sopping wet pussy.

I banged away for a good 10 minutes until we both orgasmed together and collapsed on the desk.

Problem is, she was screaming like a wailing banshee and I'm worried my old mum might have heard and will tell the missus.

What should I do?

BG, Norfolk

Ashleigh says...

DON'T worry – your mum was having a hearing test, so she probably heard fk all!**

DANI THOMPSON

By GRACE HOOPER
news@sundaysport.co.uk

AUSTRALIA made a right cock-up by allowing the sizzling Dani Thompson to emigrate to Norwich at the age of two.

Because the blonde beauty went on to become one of the biggest names in British glamour – loved by millions for her massive BOOBS!

Dani started her professional glamour career in the hallowed pages of the *Sport* way back in 2002 – happily posing for hundreds of steamy snaps from the tender age of 19.

Her 34GG boobs quickly became the stuff of legend and it wasn't long before she was snapped up by the biggest-selling lads' mags of the day, like *Nuts* and *Zoo*.

And she did some more mainstream modelling for top gossip magazines such as *New* and *Heat*.

Sultry

In 2009, fitness fanatic Dani changed her middle name to Barbie by deed poll.

She explained: "I've always felt an affinity with Barbie dolls."

Finally hanging up her bra in 2010, the sultry beauty went to The International School Of Screen Acting, earning a Diploma in Screen Acting.

Now 32, dishy Dani has started her own business designing and making knitted clothing for small dogs.

#MY SEX FANTASY

I'd love to be a classy hooker for one night!

...WITH
CLARA
GHERGEL, 34
32D-25-35
FROM FULHAM

MY wildest fantasy is to be a high class prostitute for one night.

When I'm having sex or playing with myself I often imagine I'm dressed up like a hooker and doing naughty things with a stranger for money.

Squeeze

A few times I've role-played with a boyfriend. I have some amazing thigh-high boots that make me look kinda slutty and I squeeze my curves into a super-tight, super short dress.

Then I go to a cocktail bar in a hotel where he's waiting, pretending he's a client looking

out for a working girl. We agree on a price and then head up to the hotel room where we have anything-goes sex.

He bosses me about and gives me instructions about exactly what he wants me to do, because he's paying for a service.

He'll demand 'suck my cock really deep' and 'open your legs and let me f**k you'.

It feels so slutty, and I love the idea of the guy using me and being really animalistic.

There's no kissing or all that emotional stuff involved, just real get-down-and-dirty sex for a transaction.

I'm told it's a common fantasy for women – and I'm getting turned on just thinking about it!

DANGER MAN:

ENGLAND TO SEE OFF BLACK CAPS

ENGLAND rediscovered their Mojo against India at Edgbaston on Sunday and they will qualify for the semi-finals of the ICC Cricket World Cup if they beat New Zealand at Chester-le-Street today.

Skipper Eoin Morgan won a very good toss against Virat Kohli's side and the hosts rode their luck early in their innings, but they took it to the much-vaunted Indian spinners in the middle overs and Jason Roy's return galvanised his opening partner Jonny Bairstow who scored a high-class maiden World Cup century. England could meet India in the semi-final next week and it was significant that Kohli dropped Kuldeep Yadav for yesterday's game with Bangladesh and brought back seamer Buvneshwar Kumar.

New Zealand had made serene progress to the quarter-finals up to their defeat to Pakistan, and they again had their limitations exposed by their Trans-Tasman rivals Australia at a sun-drenched Lords on Saturday.

Sri Lanka beat West Indies in a high-scoring game at Chester-le-Street on Monday when both captains said they wanted to bowl at the toss. I expect Morgan and Kane Williamson will both be keen to get first use of the pitch this morning.

Mark Wood and Ben Stokes will be playing on their "home ground" and the latter has been brilliant with bat in hand in recent games. That outstanding performance against India will count for nothing, however, if England cannot beat New Zealand and the Black Caps' batting looks fragile at the moment with too much being asked of skipper Kane Williamson.

Bash

England are 4/9 at BetVictor to take the points and are back into 5/2 to win their first World Cup at Lord's on Sunday week – the same day as the Men's Singles Final at Wimbledon and the British Grand Prix from Silverstone. New Zealand are 15/8 to bounce back against England and 7/1 to win their first World Cup.

England struggled against the left arm quick bowling of Mitchell Starc and Jason Behrendorff against Australia and the "Bash Brothers" will have to be wary of the threat caused by Trent Boult.

If New Zealand win the toss and post anything around the 300 mark, then it would be game on. Almost everything from the toss onwards went England's way at Edgbaston against India. That is not likely to be the case against the Black Cats and there will be periods when they will have to dig deep with both bat and ball.

Kane Williamson (12/5 to top score for NZ) was once again top scorer for the Black Cats against Australia and you must be a very good player to get big runs against this England attack. Only Williamson and Ross Taylor fit that criteria for the Black Caps.

I fancy England to win and make it through to the last four of this wonderful tournament. Both New Zealand openers are out of sorts at present and I fancy the fall of their first wicket to be under 29.5 which is priced at 17/20 with BetVictor.

FEEBLE: Zaha won't be signing for £40m

Gunners £40m Zaha bid a joke

PALACE FUMING AT LOW OFFER FOR WING ACE

ARSENAL are trying to cobble together a deal to buy Wilfried Zaha from Crystal Palace.

Their opening offer of £40m has been branded "a joke" after the Eagles sold young defender Aaron Wan-Bissaka to Manchester United for £10m more than that.

Palace insiders say club bosses are fuming at that low offer, insisting that it will take around double that fee to push the move through.

But Arsenal don't have more money to spend so will try to include players in the offer to push up its value.

Zaha is just a year into his new contract and, at 26, is

By PAUL THOMAS

about to enter what many pundits think is a player's prime.

One sticking point is the 25% sell-on clause Manchester United insisted on when Zaha returned to Selhurst Park after his disastrous spell at Old Trafford in 2015 for a cut-price £6m.

That means a hefty chunk of the fee will be taken off and sent to the Red Devils.

Former Premier League striker Dean Saunders believes Arsenal have a cheek putting in such a low offer.

He said: "How can they throw in a £40m bid when Aaron Wan-Bissaka has just

gone to Manchester United for £50m as a right-back?"

"Outside the top six, Zaha is probably the best player in the Premier League.

"He's got to be valued at miles more than that. He goes past people for fun and he's played great over the last couple of years.

Negotiations

"He's got to be worth £100m."

Zaha clearly wants the move to happen and he's made it clear that he won't be going back for a second spell at Manchester United.

The man trying to move the transfer through is new head of football at Arsenal, Raul

Sanllehi. He is used to long, drawn out negotiations from his time in charge of deals at Barcelona.

He is thought to be patient and won't be rushed into making an improved offer. But he may have forgotten that the Gunners — without Champions League football — are not quite the same draw as the Catalan giants.

One man who hopes the move will happen is Zaha's brother Judea who said: "It's my brother's dream to play for Arsenal."

"I hope Palace will be seen their way to agreeing a deal that allows Wilfried to realise his dream of playing European football for the club he's supported since childhood."

BENITEZ TUCKS INTO A CHINESE

BOSS: Heckingbottom

American millionaire takes over Hibernian

RAFA Benitez will pocket a cool £12m a year as new manager of Chinese side Dalian Yifang.

The Spaniard is heading east — but he wishes he could have stayed as Newcastle manager. The 59-year-old says he's been forced out because the Toon board and owner Mike Ashley don't share his vision for the club. The Geordie fans are crying like Gazza and fear for their team's future with any potential take-over seemingly up in the air. Now Rafa is looking forward to his Chinese takeaway with a two-and-a-half year deal tucked in his pocket.

Benitez is adamant that it's not about the money and he has turned down better offers in the past while in charge of Newcastle.

He insists that he had no choice but to walk out of Toon.

The Spaniard said: "I have had offers of greater financial significance during my career, but they weren't the project I was looking for."

"What I have found at Dalian is an incredible project that has arrived at the perfect time and this has been a major factor in my decision."

"We've accepted the challenge of leading a superb project with the full backing and confidence of the

By JOHN ANTHONY

club's leadership team. This club has all the components that we were looking for to start a new chapter with the maximum motivation."

But there's no doubt that Benitez would have preferred to stay with the Magpies on a much lower salary.

He said: "I wanted to stay, 100 per cent. I wanted to develop a project, to be competitive, to compete in the cups and to be as close as possible to the top of the league, but you have to have the tools."

"If you don't, then you suffer, because you're at the bottom of the table, every point is massive and you know that a mistake could mean relegation. That would be a disaster for the whole city."

Challenge

"If the people at the top of the club had the same ideas as me, I would still be there."

Benitez is taking his full coaching staff to China and believes there is much more to come from football in the massive country.

He added: "For some years, China has achieved drawing the attention of the football world towards the Super League."

"Myself and my coaching team will also try to help achieve this goal by bringing our extensive experience in having success with top European clubs to our work with Dalian."

"The challenge now is to create the foundations for success both now and for the future."

"We know it won't be simple as there are some big rivals, but we are confident there is huge potential and great commitment from the directors of the club to create something great at this club."

Now Ashley has the task of bringing in a manager that will calm the fans' upset.

FALLING OUT: Mike Ashley

THUMBS UP: Benitez loved his Toon time

HIBERNIAN are the latest British football club to be taken over by American businessmen.

Ron Gordon is the new owner of the Edinburgh giants — and it could mean big things at Easter Road.

The American is making a seven-figure sum available to the Hibs.

Gordon has Scottish heritage and made his money in communications and finance.

Hibernian had been owned for the past three decades by a company founded by Kwik-Fit owner Sir Tom Farmer.

He said: "From the day supporters asked me to get involved to help save the club back in 1991 this day was always going to come."

"There have been approaches over the years, and we have done them all the courtesy of hearing what they had to say."

"Ron's passion for Hibernian and its origins and his commitment to the community and the engagement he wants with supporters shone through."

Head coach Paul Heckingbottom's job is thought to be safe with the new owners prepared to bankroll his ideas for the club.

Rebuilt

Hibs have no debts — unlike most clubs — and did well last season to end the campaign in a healthy fifth place.

That was one spot ahead of Edinburgh rival Hearts.

In recent seasons, most money has been spent on improving the Easter Road stadium that has been totally rebuilt and is arguably the best venue outside of the Old Firm.

The outgoing owners have assured Hibs fans that they are handing the club over to someone they trust will have its best interests at heart.

Gordon added: "I had a great first conversation with Sir Tom."

"We swapped stories from our childhood and compared our approach to business."

"There are many similarities and those values are evident in Hibernian not only as an outstanding football club but also its engagement with young people and through the Hibernian Community Foundation."

"That it is such a well-run club was one of the major attractions of this for me."

BLADES TAKE CUT AT PREMIER

SHEFFIELD United boss Chris Wilder insists it's crucial not to destroy the team spirit that got the Blades up from the Championship.

The Yorkshireman is on the verge of bringing in midfielder Like Freeman from QPR — but there may not be too many more new faces at Bramall Lane.

Wilder had Manchester United goalie Dean Henderson on loan last season and is hopeful of keeping hold of him.

And Ravel Morrison has been training with the Blades squad having come back from Sweden

By ANDY MILLOM

where he was playing for Ostersunds. He has top-flight experience from his time with West Ham.

Wilder said: "We know we've got to bring players in."

"We've got to improve the squad, but we're going to keep the core of it that's done fantastically well for us over the last three years."

"It's important we keep that spirit and add to the players, who have produced some

tremendous achievements over the last three years."

Wilder has won two promotions in three seasons and is confident he can cope in the top flight.

He added: "It's happened at an incredible pace since we came into the club."

"Three years ago we were 12th in League One and now we found ourselves in the Premier League."

"There's a lot of good things that have happened here over the last three years, but a lot of good things have got to continue

so we can improve and keep raising the bar."

"We've all got to up our game because the divide between the Championship and the Premier League is a huge one. It's the biggest one."

"We've got to make sure we're ready for it and go and attack it in the same way we have with our last challenges."

"We have to manage our expectations. The Premier League has moved on at an enormous rate since we were last in it, so we're playing catch-up a little bit."
